The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**JOB ORDER CONTRACT FOR
REPAIR AND REFURBISHMENT OF PUBLIC WORKS'
BUILDINGS AND FACILITIES
ADOPT AND ADVERTISE
SPECS. VARIOUS
ALL SUPERVISORIAL DISTRICTS
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Job Order Contract Unit Price Book and Specifications and instruct the Executive Officer to advertise for bids to be received on April 6, 2004, in accordance with the enclosed "Instruction Sheet for Publishing Legal Advertisements."

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The JOC will augment Public Works' ability to effectively and efficiently respond to facility repair demands, facility alterations, refurbishment, and rehabilitation projects under the direction of the Director of Public Works.

The JOC is a flexible, cost-effective unit price contracting technique to accomplish repair and refurbishment of County facilities without extensive plans and specifications. Public Works has previously used JOCs to repair and refurbish County buildings. This relatively simple and straightforward process reduces administrative requirements and

lowers direct construction costs, while meeting all Federal, State, and County procurement requirements.

This JOC will be utilized to repair and refurbish Public Works' buildings and facilities. The Public Contract Code Section 20128.5 allows individual JOC contracts to have a one-year term and a maximum value of \$3 million.

We will report activity on the JOC to your Board quarterly along with our regular report on delegated contracting activity.

Implementation of Strategic Plan Goals

This action meets the County Strategic Plan Goal of Service Excellence and Organizational Effectiveness as this construction contract will improve public facilities and restore them fully into service sooner than with traditional construction contracting.

FISCAL IMPACT/FINANCING

There is no fiscal impact to the County as a result of this action. We will return to your Board for authorization to award the JOC to the lowest responsible bidder.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

A standard contract, in the form previously approved by County Counsel, will be used. The standard Board-directed clauses that provide for termination of services upon prior written notice, renegotiation, and hiring qualified displaced County employees will be included.

The project specifications also contain provisions requiring the contractor to report solicitations of improper consideration by County employees and allows the County to terminate the contracts if it is found that the contractor offered or gave improper consideration to County employees.

As requested by your Board on August 12, 1997, and as a threshold requirement for consideration for contract award, bidders will be required to attest their willingness to consider Greater Avenues for Independence Program/General Relief Opportunity for Work participants for future employment.

The State Labor Code requires contractors to pay prevailing wage rates to all persons employed on Public Works contracts.

As required by your Board, language has been incorporated into the project specifications stating that the contractor shall notify its employees, and shall require each subcontractor to notify its employees, about Board Policy 5.135, the Safely Surrendered Baby Law, and that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws.

Bidders will be required to be in full compliance with Los Angeles County Code Chapter 2.200 (Child Support Compliance Program) and Chapter 2.203 (Contractor Employee Jury Service Program).

To ensure that the contracts are awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, their civil litigation history, and information regarding prior criminal convictions. The information reported will be considered before making a recommendation to award.

ENVIRONMENTAL DOCUMENTATION

The implementation of each work order under this JOC shall be subject to a prior determination and documentation by Public Works that the work order is categorically exempt from the California Environmental Quality Act. In the event the work order is not exempt, your Board will be requested to approve the appropriate environmental finding and documentation prior to implementation.

CONTRACTING PROCESS

Advertising for bids will be in accordance with the County's standard "Instruction Sheet for Publishing Legal Advertisements" (enclosed).

Participation by Community Business Enterprises will be encouraged through Public Works' Capital Projects CBE Outreach Program and by monitoring the good faith efforts of bidders to utilize CBEs.

As requested by your Board on February 3, 1998, this JOC opportunity will be listed on the "Doing Business with Us" website.

Public Works has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended contract as this contract is for non-Proposition A services.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The use of this contract will expedite the completion of repair and refurbishment work managed by Public Works. Minor impacts to Public Works employees may occur while repair and refurbishment work is underway.

CONCLUSION

One approved copy of this letter is requested.

Respectfully submitted,

JAMES A. NOYES
Director of Public Works
